Headteacher Mrs Emily McMillen

Deputy Headteacher Mrs Rebecca Starman

Dear Parent/Carer,

We have recently introduced a house point system where children can earn tokens for their house in order to receive an award at the end of the term. Tokens will be counted at the end of each term and the house with the most points will receive an award or treat eg popcorn and film, outdoor activity session.

Your child has been allocated one of 3 houses; Ash (Blue), Beech (Brown) or Oak (Yellow). Whenever your child receives a house point they will be able to post it in the token collection point in school.

House Points are awarded for the following:

- Every time a child earns 10 recognition points
- Reading (and recording it in reading records) at least 5x a week
- Playing Numbots or TTRS, at home, at least 5x a week
- Making a Difference in the school or local community

You can support your child with earning house points by encouraging them to read at home and to play Numbots or TTRS. Your support will make a huge difference to your child and will encourage them to earn as many house points as possible. You can also support your child to earn more house points by Making a Difference in the local community. This could be recycling, litter picking, planting trees or anything that will make a difference to the local community around us.

The children are very excited about earning house points and we thank you for your continued support.

Kind regards,
Mr Grass
