

In September 2020, Swaffham CE VC Infant and Nursery school became **Heartwood CE VC Primary & Nursery School.**

We are a wonderful and caring school community. We adopt the Danish Hygge approach (pronounced Hue-gah) to living well that focuses on being in the moment and embracing the feelings of warmth, simplicity and togetherness.

We plan opportunities throughout the school day to come together as a school family. This begins by starting the day having breakfast together, chatting and sharing stories.

Our school environment is calm, neutral and we use a wide range of natural materials for the children to experience and use.

**Learn to Love - Love to Learn**

**Nursery school from 3 years old**

**Website: [www.heartwood.norfolk.sch.uk](http://www.heartwood.norfolk.sch.uk)**

We place a huge emphasis on well-being of everyone, including our children, families and staff.

This is built upon these simple values...

## Friendship

We are loving and kind.  
We know how to learn  
and play together.

## Respect

We value ourselves  
and others. We delight  
in our differences.

## Compassion

We understand our own and others  
feelings. We care for ourselves and  
for others. We forgive each other  
when we make mistakes.

## Service

We look for  
ways to help  
others.

## Responsibility

We make good choices  
for ourselves, our  
community and our  
environment.

## Courage

We feel confident enough  
to challenge ourselves,  
take risks and make  
mistakes. We stand up for  
what is right.

## Forest School

At Heartwood CE VC Primary & Nursery School all the children take part in a weekly Forest School session, where their learning takes place outside in our wonderful, environmentally rich, onsite woodland setting. This enables the children to experience and connect with nature.
